PRIDE Month Edition

Happy June to the CivicPRIDE family!

The most wonderful month of the year for visibility, action, and celebration is upon us again. From flag raisings to parades to protests, these 30 days present us with an opportunity to reflect on the important achievements of our community and remember the courageous queers who have made a more inclusive world. I also hope that the energy of this month inspires you to recommit to continuing our legacy of progress by continuing to advance inclusivity and belonging in our local government workspaces and communities at large. Two ways you can put your sentiments into action are described below in this quarter's newsletter—join me in attending our 2nd annual Inclusion Summit on June 29, and consider donating to fund the start-up costs of CivicPRIDE as an incorporated nonprofit organization. All donations are applied directly to our operations and programming. Whatever you choose to do in June and beyond, thank you for your efforts.

Sincerely,
Pam Davis (she/her), CivicPRIDE Board Chair
